Instead of just hanging around the house this March Break, you should come play chess! Our week long camps are our most popular events of the year, and are a ton of fun! Camps include group lessons, 1-on-1 teaching, and gym time. Make sure to sign up as soon as possible, as space is limited. Players will not only receive lots of tips about improving their play, but they will also get to play in rated competitions. Instructor is Chess Master David Gordon and his padawan Drew. Open to all children from the ages of 5 to 14. All players, including complete beginners, are welcome!
