Every school year  
Chess'N Math offers  
Single day P.D Chess

Camps. This is a great opportunity for Children to enhance their skills with expert chess instructors or for new players to learn the basic rules and participate in their first rated chess tournament. Bonus, parents have an affordable camp to send their children while they are at work. Don't worry, for those who need the occasional break, we also incorporate a variety of non-chess related activities as well as opportunities to run around and get moving!

**Camp Dates:**
